## Message from Chairman Kalyan Bharti Trust

Let me, at the outset, convey my good wishes to Fellow Trustees, Colleagues, Faculty Members and Students of the Heritage Group of Institutions.

My joy knew no bounds when I saw on television, students of Heritage Institute of Technology Kolkata (HITK), receiving the First Runners-up award from the Honorable President of India on the First National Space Day (Commemoration of Indian spacecraft's safe landing on the moon). This award was a recognition of the ingenuity of our students in the area of image analysis in the Bharatiya Antariksh Hackathon 2024. Such Pan-India recognition shows the depth and maturity of our teaching and research programme in HITK. I get much pleasure in sharing with my Fellow Trustees about HITK's sound academic programmes that are giving students opportunities to earn internships from the best of companies, to get admission in the top universities in the world, and to get placed in the most coveted corporate firms.

During the quarter, the students of The Heritage School had spectacular success in the ICSE, ISC, IGCSE and IBDP examinations, 2024. I will take this opportunity to congratulate the students who have given us proud moments and the teachers who have toiled hard to create such success stories. I am indeed pleased.

The overall progress of the institutions being run under the banner of the trust gives me enormous joy and I gratefully acknowledge the contributions of the teachers and members of faculty for creating such joyful moments. The process of imparting education is a journey and let a few drops of sweat on the forehead not sway us from our resolve. I end with a quote of Swami Vivekananda: "Arise, Awake and Stop not till the goal is reached."

**H.K.Chaudhary**

It is a matter of pride to share that The Heritage School won The Telegraph School of the Year Award 2024 for overall Excellence in School Education on 24th August.

It was the 29th edition of the Telegraph School Awards and this is for the third time The Heritage School won such an award making the entire Heritage Family proud.

Apart from the School of the Year Award, The Heritage School received the Honour certificates for Excellence in Maintenance and Eco-Friendly Initiatives, Excellence in Academics (ICSE & ISC), Social Service, Excellence in Extra-Curricular Activities and Certificate of appreciation for the 'School That Cares'. In the individual category, 6 students were felicitated for academic excellence as well as excellence in extra-curricular activities.

From L to R- Mr. P.K. Agarwal, Ms. Seema Sapru, Dr. Joseph Emmanuel, Chief Executive & Secretary, CISCE, Dr. G. Immanuel, Chairman, CISCE, Mr. Arijit Basu, Deputy Secretary, Finance, CISCE

The Heritage School hosted the CISCE Principals' Meet on 23rd July 2024, which was addressed by Dr. G. Immanuel, Chairman, CISCE and Dr. Joseph Emmanuel, Chief Executive and Secretary, CISCE Board. The meet was attended by more than 200 principals from CISCE affiliated schools in West Bengal and Northeast region.

During the meet, the Chairman spoke about the National Education Policy (NEP) which has to be implemented in totality by all the CISCE schools across India. Stressing on NEP, he focussed on Early Childhood Education which is one of the principle foundations of NEP.

Moreover, he also stressed on the fact that there are lots of drop-outs and how the Schools can curtail the same to offer holistic education to the students. Inclusivity, Adult Education, Quality of Teachers, Teaching Pedagogy etc. were discussed in line with the current NEP which has brought a sea change in the field of education.

"The largest number of CISCE schools are situated in Kolkata. Also students passing out from CISCE school in Kolkata had made significant progress in their lives. Focus on Quality can only change the face of education offered by Schools in India. NEP focuses on Quality and gives a clear mandate towards Competency Based Education. Schools should now look beyond mere textbook learning and should shift towards learning for life," said Dr. Joseph Emmanuel, Chief Executive and Secretary, CISCE Board in India.

## PURSUED INTERNSHIPS AND SELECTED FOR HIGHER STUDIES AT LEADING INSTITUTIONS AND UNIVERSITIES

Only 19 % students this year in India had been selected for Postgraduate studies in the leading IITs through the prestigious GATE Examinations and it is a matter of pride that our students from Batch-2024, are among those 19 % who made it to the top IITs for M.Tech programmes. Some of the students who are currently pursuing B.Tech are also pursuing dual qualifications apart from their regular B.Tech programmes from IIT Madras through online mode. The National Education Policy had made this possible for students to pursue such dual qualifications where one should be pursued through online mode.

Chandani Tudu, IAS, Senior Special Secretary, Higher Education Department, Govt. of West Bengal as the Guest of Honour (fifth from the left) and other members to the ICC National Expert Committee

Prof. Basab Chaudhuri, Principal, Heritage Institute of Technology (in the right) addressing during a panel discussion in the Forum

In the 21st-century educational landscape, teachers' roles have evolved significantly due to societal needs and technological advancements. Modern teachers embrace new methodologies and technologies to address diverse student needs and prepare them for contemporary challenges. Despite opportunities for growth, they face challenges like integrating technology, differentiating instruction, balancing standardized testing with holistic assessment, and managing data-driven instruction alongside traditional teaching.

These challenges also foster opportunities for professional development, collaboration, and student-centered learning. By promoting lifelong learning and a growth mindset, teachers can adapt and excel in this dynamic environment.

To explore these themes, CII organized the Educators' Conclave on 13th July 2024 in Kolkata. This event provided a platform to discuss the multifaceted role of contemporary teachers, strategies for success, and the importance of professional development, collaboration, and cultural competency.

The Conclave had a significant session on 'Educators Empowerment- Focus on Safe, Secure & Supportive Workplaces' which was addressed by Mr. Pradip Agarwal, CEO - Heritage Group of Institutions, Prof. (Dr.) Satyajit Chakrabarti, Vice Chancellor of University of Engineering & Management, Kolkata & Jaipur, Dr. Deepali Singh, Principal, JD Birla Institute, Mr. Vinod Agrawal Secretary General- Shri Shikshayatan Foundation and Mr. Abhishek Yadav, Chairman- Griffins International School, Kharagpur.
